In the top-right corner, there are three pumpkins of different sizes. In the bottom-left corner, there are two pumpkins. In the bottom-right corner, there are several leaves in shades of orange and red. The background is a solid light brown color.

Sing along Lyrics

The Rainbow Connection

Why are there so many songs about rainbows
And what's on the other side?
Rainbows are visions, but only illusions
And rainbows have nothing to hide.
So we've been told and some choose to believe it.
I know they're wrong wait and see.
Someday we'll find it, the rainbow connection.
The lovers, the dreamers and me.

What a Wonderful World

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself what a wonderful world
I see skies of blue and clouds of white
The bright blessed day, the dark sacred night
And I think to myself what a wonderful world
The colors of the rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands saying how do you do
They're really saying I love you
I hear babies crying, I watch them grow
They'll learn much more than I'll never know
And I think to myself what a wonderful world
Yes I think to myself what a wonderful world

The page is framed by a decorative border of autumn-themed illustrations. In the top right corner, there is a cluster of three pumpkins. In the top left, there are several leaves in shades of yellow, orange, and red. In the bottom left, there is a large pumpkin with a smaller one beside it. In the bottom right, there are more autumn leaves. The background is a solid light brown color.

Evermore

I was the one who had it all
I was the master of my fate
I never needed anybody in my life
I learned the truth too late
I'll never shake away the pain
I close my eyes but she's still there
I let her steal into my melancholy heart
It's more than I can bear

Now I know she'll never leave me
Even as she runs away
She will still torment me
Calm me, hurt me
Move me, come what may
Wasting in my lonely tower
Waiting by an open door
I'll fool myself, she'll walk right in
And be with me for evermore

I rage against the trials of love
I curse the fading of the light
Though she's already flown so far beyond my reach
She's never out of sight

Now I know she'll never leave me
Even as she fades from view
She will still inspire me
Be a part of everything I do
Wasting in my lonely tower
Waiting by an open door
I'll fool myself, she'll walk right in
And as the long, long nights begin
I'll think of all that might have been
Waiting here for evermore

Have a
Faboolous

Halloween!
